We are very much looking forward to your joining Save The Bay for our Summer 2010 Ecology In Education Teacher Workshop! This workshop, June 28-30 will be filled with hands-on learning about the San Francisco Bay's ecology, history, present challenges to our watershed, and ways you can bring all of these topics into your teaching.

Please fill out the information below, and email it back to me at trisha@saveSFbay.org
I will send you a detailed agenda for the workshop, including directions, by the end of April.
